The enforcement by investors of civil liabilities under U.S. federal securities laws may be affected adversely by the fact that the Company exists under the laws of Canada, that some or all of its officers and directors are not residents of the United States and that all or a substantial portion of its assets may be located outside the United States. You may not be able to sue a Canadian company or its officers or directors in a Canadian court for violations of U.S. securities laws. It may be difficult to compel a Canadian company and its affiliates to subject themselves to judgment by a U.S. court.

The forward-looking information in this Information Circular is presented for the purpose of providing disclosure of the Company’s current expectations, having regard to its current plans and proposals, and such information may not be appropriate for other purposes. This Information Circular uses words such as “may”, “would”, “could”, “should”, “will”, “likely”, “expect”, “anticipate”, “believe”, “intend”, “plan”, “forecast”, “outlook”, “project”, “estimate” and similar expressions suggesting future outcomes or events to identify forward-looking statements. Any such forward-looking statements are based on information currently available to the Company, and are based on assumptions and analyses made by the Company in light of its experience and its perception of historical trends, current conditions and expected future developments, as well as other factors the Company believes are appropriate in the circumstances. However, whether actual results and developments will conform with such expectations and predictions is subject to a number of risks, assumptions and uncertainties, many of which are beyond the Company’s control, and the effects of which can be difficult to predict, including, without limitation, risks, assumptions and uncertainties related to the other factors set out in this Information Circular and in the Company’s Annual Information Form dated February 15, 2013 and subsequent filings made with securities commissions in Canada. In evaluating any forward-looking statements in this Information Circular, the Company cautions readers not to place undue reliance on any forward-looking statements. Readers should specifically consider the various factors which could cause actual events or results to differ materially from those indicated by the Company’s forward-looking statements. Unless otherwise required by applicable securities laws, the

Company does not intend, nor does it undertake any obligation, to update or revise any forward-looking statements contained in this Information Circular to reflect subsequent information, events, results or circumstances or otherwise.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR ARE OFFICERS AND/OR DIRECTORS OF THE COMPANY. A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER, OTHER THAN THE PERSONS SPECIFIED IN SUCH FORM OF PROXY TO ATTEND AND ACT FOR AND ON BEHALF OF SUCH SHAREHOLDER AT THE MEETING AND AT ANY ADJOURNMENT(S) OR POSTPONEMENT(S) THEREOF. SUCH RIGHT MAY BE EXERCISED BY EITHER INSERTING THE NAME OF THE PERSON TO BE APPOINTED IN THE BLANK SPACE PROVIDED IN SUCH PROXY OR BY COMPLETING AND EXECUTING ANOTHER PROXY AND, IN EITHER CASE, RETURNING SUCH COMPLETED AND EXECUTED PROXY IN THE MANNER DESCRIBED IN THE NOTICE OF MEETING.

In order to be valid and acted upon at the Meeting, proxies must be returned to Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department prior to 3:30 p.m. (Toronto time) on June 7, 2013, or, in the case of any adjournment or postponement thereof, not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of such adjourned or postponed meeting.

In addition to any other manner permitted by law, a Shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast by completing an instrument in writing executed by the Shareholder or their attorney authorized in writing, or if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, and by depositing such instrument of revocation either with the Secretary of the Company, c/o Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, at any time up to and including the last business day preceding the day of the Meeting, or with the Chairman of the Meeting on the date of the Meeting immediately prior to the commencement thereof or adjournment(s) thereof. In addition, a proxy may be revoked by the Shareholder personally attending at the Meeting and voting his or her Common Shares.

VOTING OF COMMON SHARES REPRESENTED BY MANAGEMENT PROXIES

The persons named in the form of proxy accompanying this Information Circular will vote the Common Shares in respect of which they are appointed proxy on any ballot that may be called for at the Meeting or any adjournment(s) thereof in accordance with the instructions in the form of proxy. **In the absence of instructions, such persons will vote such Common Shares in favour of or for each of the matters referred to in the Notice of Meeting.**

The form of proxy accompanying this Information Circular confers discretionary authority upon the persons named therein with respect to amendments to or variations of the matters identified in the Notice of Meeting and with respect to other matters, if any, which may properly be brought before the Meeting or any adjournment(s) thereof. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to be brought before the Meeting. However, if any other matters which are not now known to management of the Company should properly be brought

before the Meeting or any adjournment(s) thereof, the Common Shares represented by any proxy will be voted on such matters in accordance with the judgement of the person named in such proxy.

NON-REGISTERED SHAREHOLDERS

Some Shareholders beneficially own Common Shares that are registered in the name of a broker, another intermediary or an agent of that broker or intermediary (“Non-Registered Shareholders”). The Company has distributed copies of this Information Circular and form of proxy to these intermediaries or their agents for onward distribution to Non-Registered Shareholders.

Without specific instructions, intermediaries are prohibited from voting shares for their clients. If you are a Non-Registered Shareholder, it is vital that the voting instruction form provided to you by your broker, intermediary or agent is returned according to their instructions, sufficiently in advance of the deadline specified by the broker, intermediary or agent, to ensure that they are able to provide voting instructions on your behalf.

If you are a Non-Registered Shareholder, you have the right to attend and vote your Common Shares directly at the Meeting. If you are a Non-Registered Shareholder and you wish to attend the Meeting and vote your Common Shares you can request, in writing, a legal proxy from your broker or other intermediary in whose name your shares are registered, that enables you to vote the shares registered in the name of that intermediary. You should carefully and promptly follow the instructions of your intermediary in this regard.

A Non-Registered Shareholder may revoke a form of proxy or voting instruction form given to an intermediary at any time by written notice to the intermediary in accordance with the instructions given to the Non-Registered Shareholder by the intermediary.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company has 188,173,310 Common Shares outstanding. Each holder of record at the close of business on May 7, 2013, the record date established for Notice of the Meeting, of a Common Share will, unless otherwise specified herein, be entitled to one vote for each Common Share held by such holder on all matters to be brought before the Meeting, except to the extent that such holder has transferred any such Common Shares after the record date and the transferee of such Common Shares produces properly endorsed share certificates or otherwise establishes ownership thereof and demands, not later than 10 days before the Meeting or any adjournment(s) thereof, to be included in the list of Shareholders entitled to vote at the Meeting or any adjournment(s) thereof, in which case the transferee thereof will be entitled to vote such Common Shares at the Meeting or any adjournment(s) thereof.

As of May 7, 2013, to the knowledge of the officers and directors of the Company, one entity, being Dundee Corporation (“Dundee”), beneficially owns, directly or indirectly, or exercises control or direction over, more than 10% of the outstanding Common Shares as of the date hereof. Dundee owns, directly or indirectly, 108,993,482 Common Shares representing 57.9% of the outstanding Common Shares. Mr. Ned Goodman, Chairman of the Company, owns in aggregate, directly and indirectly, class A subordinate voting shares and class B common shares of Dundee representing an 85.8% voting interest in Dundee. Mr. Goodman also owns personally 1,067,803 Common Shares of the Company representing 0.57% of the Company. Accordingly, Mr. Goodman owns directly and indirectly, or exercises control or direction over Common Shares of the Company representing a 58.5% voting interest.

BUSINESS OF THE MEETING

PRESENTATION OF FINANCIAL STATEMENTS

The audited consolidated financial statements of the Company for the financial year ended December 31, 2012 and the report of the Company's auditor, PricewaterhouseCoopers LLP, will be placed before the Meeting.

APPOINTMENT OF AUDITOR

Unless specifically instructed in the proxy to withhold such vote, the person(s) designated as proxy holder(s) in the accompanying form of proxy intend to vote for the appointment of PricewaterhouseCoopers LLP as the auditor of the Company to hold office until the next annual general meeting of Shareholders and to authorize the directors to fix their remuneration.

ELECTION OF DIRECTORS

Shareholders will be asked to elect nine directors for the ensuing year.

At the Meeting, voting by Shareholders for the election of the directors named below will be conducted on an individual, and not slate, basis. See also “Majority Voting Policy” below. The persons named in the form of proxy accompanying this Information Circular intend to vote for the election of the nominees whose names are set forth below, each of whom is now a director of the Company and has been a director of the Company since the date indicated, unless the Shareholder who has given such proxy has directed that the Common Shares represented by such proxy be withheld from voting in respect of the election of directors of the Company.

Management of the Company does not contemplate that any of such nominees will be unable to serve as a director of the Company for the ensuing year but if that should occur for any reason prior to the Meeting or any adjournment(s) thereof, the persons named in the form of proxy accompanying this Information Circular have the right to vote for the election of the remaining nominees and may vote for the election of a substitute nominee in their discretion. Each director of the Company elected at the Meeting will hold office until the next annual meeting of the Shareholders held following his election unless he resigns or is removed as a director of the Company in accordance with the by-laws of the Company prior to such date.

Majority Voting Policy

In April 2013, the Company adopted a majority voting policy for the election of directors. Accordingly, if a director standing for election or re-election in an uncontested election does not receive the vote of at least a majority of the votes cast at any meeting for the election of directors at which a quorum is present, the director will promptly tender his or her resignation to the Board. Within 90 days after the certification of the election results, the Board will decide, through a process managed by the Corporate Governance and Nominating Committee, whether to accept or reject the resignation and the Board's decision will be publicly disclosed.

ORIENTATION AND CONTINUING EDUCATION

The Board is responsible for providing a formal orientation program for new directors and ongoing education sessions on the business and strategies of the Company. In particular, new Board members are invited to participate in informal discussions with senior management of the Company. Each new director is furnished with a board package intended to provide a thorough understanding of the business of the Company. The package includes, among other things, the corporate governance practices of the Company. The Board, during the interview process, makes each prospective new director aware of the amount of time required to fulfill his role as a director. In addition, a site visit to the Company's main operations is arranged, at the earliest convenience, for each director.

The Company is also committed to a continuing education program for all directors. At each regularly scheduled Board meeting, management provides directors with a presentation on the Company's operations thereby updating the Board on all important activities since the last meeting. The Board also receives written reports from management when changes are made to the business plan or significant activities are underway. Directors are kept informed of best practices with respect to the role of the Board and of emerging trends that are relevant to their roles as directors. In addition, individual directors are

encouraged to identify their continuing education needs through a variety of means, including discussions with management and at Board and committee meetings.

ETHICAL BUSINESS CONDUCT

The Company is committed to conducting its business in compliance with all applicable laws and regulations and in accordance with the highest ethical principles. The Board requires all directors to disclose any activities or relationships which could have the potential for a conflict of interest. The Board encourages and provides an overall culture of ethical conduct. The Board and the Company promote a “tone at the top” culture intended to instill ethics, openness, honesty and accountability throughout the organization.

DISCLOSURE AND INSIDER TRADING POLICY

The Board has approved a disclosure policy (the “Disclosure Policy”) that is designed to formalize the Company’s policies and procedures relating to the dissemination of material information. The Disclosure Policy designates certain employees as authorized spokespersons of the Company and establishes disclosure guidelines for determining whether information is material and how it is to be disclosed. The Disclosure Policy also includes procedures designed to avoid selective disclosure and to ensure that timely and accurate information is provided by the consolidated subsidiaries of the Company to senior management of the Company for inclusion in the Company’s statutory disclosure documents. Disclosed information is released through mailings to shareholders, newswire services, the general media and the Company’s website and/or SEDAR. The Board and, as applicable, the Audit Committee, approve the statutory disclosure documents prior to their distribution to shareholders. The Company’s Disclosure Policy also includes the Company’s policy on insider trading and the declaration of blackout periods that must be observed by designated insiders of the Company and its subsidiaries.

BOARD COMMITTEES

MacRae (Chairman) and Michael Smith, all of whom are independent and all of whom are financially literate. Prospective Board members, whose relevant education and related business experience are taken into consideration, are interviewed by the Corporate Governance and Reserves Committee which in turn proposes the new and suitable candidates for consideration by the Board.

Assessments

COMPENSATION DISCUSSION AND ANALYSIS

Executive compensation consists of salary, options and benefits. Executive officer salaries are set slightly below industry standard, which is determined by reference to the salaries of local executives in positions with similar experience and similar responsibility. Executive officers receive a basic benefits package including medical, dental and insurance.

BASE SALARIES

The President and Chief Executive Officer of the Company received a base salary of \$125,000 in respect of fiscal 2012. See “*Services Agreements*” and “*Executive Compensation – Summary Compensation Table*”.

Except for Mr. Khan, none of the NEOs were paid base salaries by the Company or its Subsidiaries for services rendered to the Company in 2012. See “*Services Agreements*” and “*Executive Compensation – Summary Compensation Table*”.

SERVICES AGREEMENTS

The Compensation Committee may recommend to the Board the form and amount of any service agreements to be entered into with the executive officers of the Company, taking into consideration the recommendations of the Chief Executive Officer of the Company, (other than in respect of the CEO’s consulting agreement) the current and potential contribution of the executive officer to the success of the Company and competitive industry pay practices for comparable positions at businesses of comparable size.

The President and Chief Executive Officer of the Company, Mr. Khan, has entered into a consulting contract pursuant to which he provides the Company with certain executive services. Mr. Khan’s remuneration pursuant to the consulting contract is subject to annual review and is at the full discretion of the Compensation Committee of the Company. The consulting contract became effective on April 1, 2005 and is for an indefinite term. The consulting contract contains confidentiality and non-competition provisions which extend for a period of two years and six months respectively, following termination of the consulting contract. The consulting contract may be terminated at any time by either party and is not subject to a termination payment.

In addition, in 2012, designated employees of Dundee Corporation and Dundee Resources Limited, affiliates of the Company, including Mr. David Bhungara, Ms. Lucie Presot and Mr. Bruce Sherley provided consulting services to the Company pursuant to a services arrangement. An aggregate consulting fee of \$2,120,543 was charged to the Company by Dundee Resources Limited in respect of services rendered to the Company in 2012 and for related overhead costs.

BONUSES

Although the Company does not have a formalized bonus plan, the executive officers of the Company may earn annual bonuses, which will vary, based on the individual’s position and contribution to the performance of the Company, and the annual performance of the Company. The Chief Executive Officer of the Company may present recommendations to the Compensation Committee with respect to the award of any such bonuses (other than bonuses paid to the Chief Executive Officer). The Compensation Committee determines the bonuses for the executive officers of the Company and recommends the amounts thereof to the Board for approval. In 2012, the Company paid a special bonus of \$500,000 to a

director of Dundee Corporation in recognition of the director's strategic role in respect of the Castor underground gas storage project.

SECURITY BASED COMPENSATION ARRANGEMENTS

The Company has a Deferred Share Unit Plan ("DSU Plan") and a Share Incentive Plan ("SIP"). The terms of the DSU Plan and SIP are described below.

DEFERRED SHARE UNIT PLAN

The DSU Plan provides eligible employees, officers and directors of the Company and its affiliates with incentives tied to the long-term performance of Common Shares in the form of Deferred Share Units ("DSUs"). Entitlements payable in respect of DSUs granted under the DSU Plan have been, since inception, paid in the form of cash. The DSU Plan also provides that DSU entitlements may be paid in the form of Common Shares purchased in the open market or Common Shares issued by the Company from treasury.

The Company received Shareholder approval in 2010 to permit entitlements under the DSU Plan to be settled in the form of Common Shares issued by the Company from treasury, subject to certain limitations including the issuance of a maximum of 4,000,000 Common Shares from treasury to satisfy entitlements under the DSU Plan.

The DSU Plan is administered by the Compensation Committee. Under the DSU Plan:

- employees, officers and directors of the Company and its affiliates are eligible to be granted, on an annual or more frequent basis, DSUs in such number and effective as of such date as the Compensation Committee may determine based on criteria determined by the Compensation Committee relating to services performed or to be performed by the grantee (a "Participant");
- the Compensation Committee may impose conditions on any DSUs granted to be met by a Participant in order to be entitled to receive payment in respect of the DSUs granted;
- following termination of a Participant's employment with the Company or an affiliate thereof (and provided that at such time the Participant is not a director of the Company or an affiliate thereof) such Participant (or the legal representative of such Participant's estate) may elect up to five separate dates (each, an "Entitlement Date") on which all or a portion of the DSUs granted to such Participant will be redeemed for an amount per DSU equal to the market value of a Common Share (the "Redemption Value") on the applicable Entitlement Date;
- the market value of a Common Share on any Entitlement Date is the weighted average price of the Common Shares on the exchange for the five days immediately preceding the applicable Entitlement Date;
- the Redemption Value on an applicable Entitlement Date may be, at the discretion of the Compensation Committee, paid in the form of any combination of: (i) a cash payment; (ii) Common Shares acquired in the open market; or (iii) Common Shares issued by the Company from treasury provided that any such Shareholder approval as may be required by the exchange shall have been obtained prior to any such issuance;
- the maximum number of Common Shares that may be issued from treasury to satisfy entitlements under the DSU Plan is 4,000,000; and the maximum number of Common Shares issuable to insiders

under the DSU Plan and any other share compensation arrangement within a one year period may not exceed 10% of the total number of Common Shares then outstanding unless disinterested Shareholder approval is obtained;

- the Board may from time to time amend, suspend or terminate the DSU Plan as the Board may consider appropriate in respect of an anticipated or actual change of control of the Company. However, unless such amendment, suspension or termination is required by law, it may not adversely affect the rights accrued to any Participant under the Plan without the consent of the affected Participant and subject to obtaining any required regulatory approval;
- a Participant may not assign or otherwise alienate his or her entitlement under the DSU Plan except to such Participant's beneficiaries or legal representative upon the death of the Participant at which point all Units then credited to the Participant's account will become payable to the Participant's estate; and
- the Units awarded pursuant to the Plan will be adjusted in the same manner as if each Unit were issued and outstanding Common Shares in the event of any stock dividend, stock split or consolidation affecting the number of Common Shares outstanding. In the event of any exchange of Common Shares or other changes to the Common Shares into a different number or kind of securities of the Company or of any corporation related to the Company, the Board may make a reasonable equitable adjustment to the number of Units then outstanding under the Plan.

As of May 7, 2013, an aggregate of 1,039,358 DSUs were outstanding, 80,000 DSUs have been redeemed for cash and 2,880,642 DSUs remain available for issuance under the DSU Plan.

SHARE INCENTIVE PLAN

The SIP, adopted in 2010, provides for a variety of equity incentive awards designed to advance the interests of the Company by encouraging eligible employees, officers, directors and consultants of the Company and affiliates thereof, to hold equity in the Company. Following the adoption of the SIP, the Stock Option Plan was suspended and no further options were issued thereunder. The SIP is administered by the Compensation Committee and provides for the following components described below.

Share Purchase Component

The SIP provides for the establishment of a share purchase component pursuant to which:

- eligible participants may contribute to the share purchase component a cash amount not to exceed 10% of the participant's basic annual remuneration or such other maximum amount to be determined in accordance with the SIP from time to time (the "Participant Contributions");
- the Company may match up to the full amount of each Participant Contribution (the "Company Contributions");
- Participant Contributions and Company Contributions will be used to purchase, at the discretion of the Compensation Committee, either:
 - Common Shares issued by the Company from treasury (the "Treasury Alternative"), which Common Shares shall be deemed to be issued at a price equal to the simple average of the high and low trading prices of the Common Shares on the exchange for the five prior consecutive trading days ending three trading days immediately prior to the date of issue of such Common Shares, or

- Common Shares purchased on the open market (the “Market Alternative”) at the prevailing market price at the time of purchase,
- under both the Treasury Alternative and the Market Alternative, Common Shares acquired for participants with Participant Contributions will be available to participants as soon as practicable after such contribution is made and Common Shares purchased with Company Contributions will be released to participants as soon as practicable upon completion of any vesting period imposed at the discretion of the Board or the Compensation Committee and the date that Common Shares are purchased;
- any vesting period imposed by the Compensation Committee on Common Shares acquired under the share purchase component may be accelerated by the Compensation Committee if a take-over bid or issuer bid is made for the Common Shares of the Company;
- subject to any employment agreement and unless otherwise determined by the Compensation Committee, upon termination of a participant’s employment with the Company due to retirement, long-term disability or death, Common Shares purchased with Participant Contributions and Company Contributions will be delivered to the participant on the date that they otherwise would have been delivered under the SIP;
- subject to any employment agreement and unless otherwise determined by the Compensation Committee, upon termination of a participant’s employment with the Company for any reason other than retirement, long-term disability or death:
 - Common Shares purchased with contributions under the Treasury Alternative which are held by the Company pursuant to vesting conditions will be re-purchased by the Company from the participant for an amount equal to the lesser of: (i) the Participant’s Contribution; and (ii) 50% of the current market price of the Common Shares, and
 - vested Common Shares purchased with Company Contributions under the Market Alternative will be delivered to the participant on the date on which they otherwise would have been delivered under the SIP and unvested Common Shares will be forfeited.

Share Option Component

The SIP provides for the establishment of a share option component pursuant to which:

- options to purchase Common Shares may be granted to eligible participants, the exercise price of which per Common Share may not be less than the weighted average price per Common Share for the five immediately prior consecutive trading days on the exchange prior to the day on which the option is granted (the “Grant Date”);
- unless otherwise determined by the Compensation Committee, options expire 10 years after their Grant Date provided that options that would expire during a period in which the holder of such options is prohibited from trading under policies of the Company or securities laws (a “Blackout Period”) or within 10 business days after the end of such Blackout Period, then the expiry date of such options will automatically be extended for the 10 business days after the end of the blackout period;
- unless otherwise determined by the Compensation Committee, options vest in 33⅓% increments over three years from their Grant Date provided that any vesting period imposed by the Compensation Committee on options may be accelerated by the Compensation Committee if a take-over bid or issuer bid is made for the Common Shares of the Company;

- if, pursuant to a take-over bid and any compulsory acquisition, an offeror acquires 100% of the outstanding Common Shares of the Company, the Board may require optionees to surrender their options provided that the offeror agrees to grant replacement options to purchase equity securities of the offeror that have substantially the same economic value as the options surrendered and further that exchange of options of the Company for replacement options of the offeror can be effected on a tax free roll-over basis;
- a participant may elect to terminate his or her options, in whole or in part, and receive in lieu of the Common Shares which would have been issuable upon exercise of such terminated options either: (a) a number of Common Shares having value equal to the difference between the weighted average price of the Common Shares on the exchange for the five trading days immediately preceding the date of termination of the options (the “Current Market Price”) and the exercise price of the terminated options; or (b) with the consent of the Company, an amount in cash equal to the difference between the Current Market Price of the Common Shares which would have been issuable upon exercise of the terminated options and the exercise price of the terminated options;
- subject to vesting and any employment agreement, options may be exercised at any time prior to expiry of such options provided that at the time of such exercise the participant is, and has been since the Grant Date for such options, an employee, officer or director of the Company provided further that:
 - upon the retirement, long-term disability or death of a participant, any unvested options held by such participant will immediately terminate and any vested options held by such participant will terminate on the earlier of: (i) 12 months after the date of retirement, long-term disability or death; and (ii) the date upon which such option expires;
 - upon termination of a participant’s employment with the Company for any reason other than retirement, long-term disability or death or termination for cause, or if a participant ceases to be a director of the Company, any unvested options held by such participant will immediately terminate and any vested options held by such participant will terminate on the earlier of 60 days after the date the participant ceased to be an employee, officer or a director, as applicable, and the original expiry date of the options; and
 - upon termination of a participant’s employment with the Company for cause, all vested and unvested options will immediately terminate.

Share Bonus Component

The SIP provides for the establishment of a share bonus component pursuant to which:

- the Compensation Committee may determine to issue Common Shares to eligible participants as a discretionary bonus (“Bonus Shares”), which Bonus Shares may, but are not required to, be subject to vesting provisions provided any vesting period imposed by the Compensation Committee on Bonus Shares may be accelerated by the Compensation Committee if a take-over bid or issuer bid is made for the Common Shares of the Company; and
- unless otherwise determined by the Compensation Committee, upon termination of employment with the Company for any reason, all unvested Bonus Shares will immediately be forfeited.

General Provisions of the Share Incentive Plan

The maximum number of Common Shares that may be issued to satisfy entitlements under the SIP is 15,611,845, which represents 8.3% of the Company’s outstanding Common Shares as of May 7, 2013 provided that the number of Common Shares:

- issued to insiders of the Company within any one year period; and
- issuable to insiders of the Company at any time,

under the SIP, or when combined with all of the Company's other securities based compensation arrangements, may not exceed 10% of the Company's total outstanding Common Shares, respectively.

Common Shares which would have been issuable upon exercise of options or upon settlement of other awards granted under the SIP that are surrendered, forfeited or cancelled or that terminate or expire without being exercised or settled and Common Shares that are surrendered to the Company as payment of exercise price, withholding tax or as part of an award exchange program, will again become available for issuance under the SIP.

The Compensation Committee may at any time amend the SIP and any awards outstanding thereunder in any manner provided that no such amendment: (i) increases the number of Common Shares reserved for issuance under the SIP; (ii) reduces the issue price at which Common Shares may be issued under the Treasury Alternative of the share purchase component or reduces the exercise price of any option for the benefit of an insider of the Company; or (iii) extends the exercise term of any award beyond the original expiry date of such award, without the approval, if required, of shareholders and, if required, any stock exchange or regulatory authority having jurisdiction over the securities of the Company.

Awards granted under the SIP are generally not assignable or transferable.

As of May 7, 2013, there were no Common Shares issued under the Share Purchase Component, an aggregate of 3,715,000 options had been granted under the Share Option Component and 57,196 Bonus Shares had been awarded under the Share Bonus Component.

All of the directors are eligible to participate in certain components of the SIP and directors have the option of receiving their fees in DSUs under the DSU Plan. The directors' fees are reviewed periodically and may be changed from time to time. In 2012, one of the directors elected to receive 100% of his fees in DSUs, one director elected to receive 50% of fees in DSUs, two directors elected to receive 25% of their fees in DSUs and five directors elected to receive such fees in cash.
